If you have a food allergy, intolerance or sensitivity, please speak to the chef or server regarding the ingredients so we can assist you to the best of our abilities. A food allergen sheet will be provided. The menu is subject to the availability of produce. If components are unavailable or of unsatisfactory quality it will be substituted with an appropriate alternative. We only use organic produce that is considered biodynamic or sustainable. We support artisanal suppliers across the world. All produce is prepared and stored in a Covid safe environment. Prices are excluding service charge. Prices quoted are subject to fluctuations, this particularly the case for seafood, fine produce & fine wine.

Menu is subject to changes as a result of availability of ingredients. Ingredients are carefully selected from designated suppliers, are organic and sustainably sources. Rights are reserved to make suitable amendments should ingredients be unavailable. All components are prepared from scratch in a Covid safe environment with suitable measures taken where appropriate to reduce risk and ensure the safety of the client. All quotations are excluding value added tax and service charge which can increase on premium rate days such as Easter, Christmas eve, Christmas day, boxing day, new year's eve or new year's day. Allergenic content of food is provided in advance, however, there may be trace amounts of allergens within the produce from the supply chain. Active measures are undertaken to reduce this risk as much as possible.
